FINE ARTS BOOSTER GROUP (FABG)
PROMOTES, SUPPORTS AND CELEBRATES “ALL THE ARTS FOR ALL THE KIDS!”

The **Fine Arts Booster Group**, an affiliate of the Ithaca Public Education Initiative (IPEI), believes the arts – **music, dance, visual, literary and theater arts** – are an important part of every child’s education. We support all Ithaca City School District students and teachers through grants, recycling used musical instruments, developing community relationships and fostering communication. Help boost arts education in grades pre-K to 12 with your ideas, time, and/or your donation! We can’t do this without you. Join us in any way you can!

Join the FABG listserv by emailing: FineArtsBoosters-subscribe@yahoogroups.com
